Eliminate POF Hardware

Grant your customers the option to pay on their phones with our revolutionary Digital Ticket Checkout. This solution allows parkers to bypass paying at on-foot or exit kiosks, diminishing wait times and maximizing convenience. When customers are ready to leave the garage, they can check out and pay with just **three steps**.

1. Scan QR code on ticket

2. Select payment method
(Apple Pay, Google Pay,
credit card or validation)

3. Scan receipt
or ticket at exit
